

AMALIE

Better than it has to be®
Since 1903

RAC PAC LUBE-SYSTEM

**The Answer to Making
Smarter Lube Changes!**

ADVANTAGES:

- » More convenient - less waste than using bottles
- » Time saved on oil/fluid changes keeps the momentum up
- » Improves inventory control
- » Integrated funnel with each pitcher for quick - no mess - easy pour
- » Less trash making it more environmentally friendly
- » Space saving rack allows multiple products in one spot, enabling a wide array of vehicles to be serviced more efficiently

Contact your sales associate today for more information on the
SMARTER Lube System!
